

Eau de Vie de Marc du Languedoc

Made by Mathieu Frecon using marc from the « Virgile » range

Ageing : At least 3 years in stainless steel tanks

Presentation : Cases of 12 bottles of 50cl

Ready to drink : After bottling

Cellaring : 1 to 50 years

Serve at : from 11°C

This crystal clear eau de vie de marc has a very perfumed nose.

Both vegetal and fruity, it reminds you of ripe grape stems.

The attack in the mouth is round and sophisticated, becoming gradually more generous.

Well balanced, it has a scented and pleasant final.
